

2009 GREAT PLAINS CYCLING rider contract

In consideration of the benefits offered to members of the GPCC (Great Plains Cycling Club), I agree to:

- Wear a helmet on all club rides.
- Observe traffic laws and respect others that share the road.
- Ride in a safe manner such that fellow riders and others on the road are duly forewarned of my actions.
- Maintain current address and phone number with GPCC.
- Pay the annual dues of \$20 for seniors and \$5 for juniors in a timely manner.
- Represent Sponsors and Team in a positive manner including message boards, rides, and races.
- Volunteer to assist during at least one of the GPCC sponsored races/events.

Please check off one of the following GPCC events you plan on volunteering for:

A)False Flat Time Trial ___ B)Red River Cyclocross Challenge ___ C)Trail Building ___

All GPCC members are required to volunteer for at least one GPCC event.

This will help us put on a professional race, which in turn gives our sponsors a better image.

(note: If for any reason you cannot make the event in which you signed up for, contact the event director and participate in an alternative volunteer opportunity.)

I understand that my membership in the GPCC may be terminated for failure to observe this agreement.

In the event that membership is terminated or member decides to depart from team, the member is responsible for reimbursing Team/Sponsors for discounts/race reimbursements received during a given race calendar year. Race results, race diaries, and pictures may still be used by GPCC.

I also understand that cycling is inherently dangerous and agree that I (including my heirs or successors of interest) will not hold GPCC, its officers, or sponsors liable for any injuries I may sustain or property damage I may incur during my participation.
